BETTER TOOLS. REAL DISCOVERIES.

THUNDER® Solutions for PROTAC and Targeted Protein Degradation

HIGH PERFORMANCE, HIGH QUALITY, RELIABLE, AFFORDABLE

BioAuxilium Research offers a range of cell-based immunoassay kits and toolbox reagents for advancing your PROTAC® and Targeted Protein Degradation research. These highly validated products are based on the advanced THUNDER® TR-FRET immunoassay platform. They offer a reliable and cost-effective alternative to other expensive TR-FRET technologies.

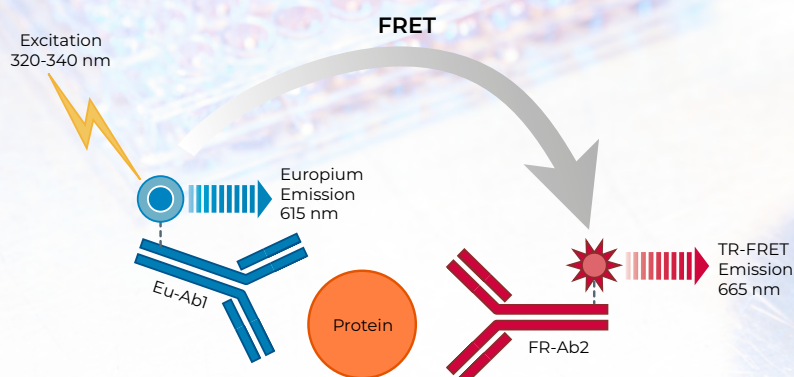

Figure 1

THUNDER is an easy-to-use, fast, sensitive and robust immunoassay platform that enables you to measure the degradation of specific total proteins in cell lysates.

THUNDER TR-FRET PPI Assay Buffer 3 (5X)	TRFRET-PPIB3-2	TRFRET-PPIB3-10	TRFRET-PPIB3-100
THUNDER TR-FRET PPI Assay Buffer 4 (5X)	TRFRET-PPIB4-2	TRFRET-PPIB4-10	TRFRET-PPIB4-100

¹The number of assay points is based on an assay volume of 20 µL in low volume 384-well assay plates.

CUSTOM ANTIBODY LABELING

Prefer to label your own antibody? Let us do it for you!

We can label your antibody with our THUNDER® Europium chelate and FR acceptor dye, or with biotin

Basic service includes buffer exchange (if applicable), conjugation, purification, protein recovery and concentration, and degree of labeling

Unmatched turnaround time: 24 hours

Products able to be used for research and commercial applications

CUSTOM ASSAY DEVELOPMENT

Prefer to outsource your assay development project? Let us develop a TR-FRET assay to your specifications

Why us? Over 30 years experience in assay development

Biochemical and cell-based assays

Best antibody pair screening

ELISA conversion

Compound profiling

For more information on our custom labeling and assay development services, please visit: bioauxilium.com/custom-tr-fret-assay-development/

We have the assays to accelerate your basic and drug discovery research across numerous therapeutic areas. Explore all our reagents and kits at bioauxilium.com

TO PLACE AN ORDER: sales@bioauxilium.com

REGIONAL DISTRIBUTORS: bioauxilium.com/distributors
